

# Apple Picking Song

(to the tune of Hurry, Hurry Drive the Firetruck)

Hurry, hurry to the farm x3  
Let's all pick some apples.

Bumpity bump on the hayride X3  
Let's all pick some apples.

Look now Look now, find a tree X3  
Let's all pick some apples.

Climb up Climb up reach up high X3  
Let's all pick some apples.

Plop them, plop them in the bag X3  
Let's all pick some apples.

Crunchy, crunchy take a bite X3  
Hurray for the apple farm!

## **Movement Actions for Song (can be done seated or standing)**

*Make steering motions with your arms like you are driving a car.*

*Bump up and down while seated on your bottoms.*

*Put a hand over your eyes and look left and right like you're searching for a tree.*

*Move your arms in a climbing motion like you are moving up a ladder and reaching up for apples.*

*Reach up and then down like you are picking an apple and putting it down. Alternate arms as you sing.*

*Pretend to take a bite of an apple and rub your tummy like it tastes great.*
