# Map Comet the Reindeer's Trip

**Directions:** Read COMET: THE UNSTOPPALE REINDEER by Jim Benton.

Then read the story again and track Comet's route. Listen closely and connect the locations on the map in the order that Comet visits them. If needed, use a globe or world map to help you.

Comet took a well deserved vacation in Honolulu, Hawaii after his trip around the world. If you were Comet, where would you go to rest and recuperate? Why would you choose that spot?
